All USA Waterski Covid-19 guidelines will be followed and we ask you all to respect everyone's safety through this event.

- Give everyone space and respect the 6ft social distance.
- Officials only are allowed under the Tower and only current Event Officials will be allowed inside the tower.
- If you need to speak to the Chief Judge please knock on the door but do not enter.
- Wash stations will be provided by each portaloo and near the Tower...please use them frequently!
- All competitors can pick up their complimentary Ski Fluid mask at registration.

The Fillin' Good Food Truck will be on-site from around 9am through lunch both days. They catered for us last year and the food is amazing and a ton of healthy options...please leave your coolers and snacks at home and support them. Check out their menu at:

Banquet and Awards Presentation – Saturday 11th 6:30pm presented by VisitCentralFlorida.org

A banquet and awards presentation will be on-site under and around the marquis tent at 6:30pm immediately after the completion of skiing for the day. Please stay to support all the Junior Division champions and recognize Curtis Rabe's induction into the FWSF Hall of Fame.

Tickets will be provided to all Juniors and Officials. Additional tickets can be purchased for \$15 by contacting us by the end of the day on Friday so we can finalize numbers. Wrist bands for the banquet can be picked up during registration.

A great meal will be provided by [Oakwood Smokehouse and Grill](#) (same as last year) and served pre-packaged. We ask that you all help ensure everyone safety by spreading out while eating.

Free drinks including beer and wine will be served although we are asking for small donations towards State Junior Development for alcoholic beverages.

We want to thank [VisitCentralFlorida.org](#) as well as Hank Longo, George Levien and Dennis Longo for their support of the banquet and awarding our Junior skiers!

Practice is available on Friday afternoon on a first come first serve basis. The MasterCraft Pro Star will be available. The Malibu and Nautique may be available later in the day. Please contact us to register your interest.

We have a big 2 days of skiing ahead and some amazing competition.
